To, J. Scott Esquire. (72)

Dear Sir,

The Dewan has received your letter of the 9th instant in which, with reference to Government Proceedings No 1707-8/132 of 25th December (ultimo) you ask that the Maharaja of Mysore Spinning Mill Company may be allowed to pay next October the instalment of Rs 30,000 now due and promise that the amount shall be paid in or before that month, and that all interest account shall be now settled up to date.

In reply I am to say, that the time you thus ask for under the circumstances mentioned in your letter is, in itself, not too much as Government can strain a point

and grant it, But, as already stated, Government is loath to prolong the transaction and I am to inquire whether you can give the assurance that this will be the last of the Company's application for more time for payment of the stipulated instalments.

I return the Government order enclosed in your letter under reply.

I am
Yours faithfully
